11.15am- 12.15pm Breakout Sessions – 5 options

The aim of this session and the one after lunch is to develop 5-6 key recommendations for best practice in this area.

1. Health Care Policy and Crisis Business Case - go into more detail about policy and the business case and outline what we should be taking to our respective Governments, policy makers etc. – Facilitator: Bobby Pratap, NHS England

2. Mobile and Telephonic Crisis – importance of these service, how they are commissioned and provided – Facilitator: Jamie Sellar

3. Utilizing peers in emergency departments, crisis centres and mobile teams. How peer integration is being done around the globe and what are the best practices for integrating peer support into various services – Facilitator: Andy Bell, Centre for Mental Health

4. Facility based Crisis – services based in hospitals or emergency departments, including anything that is not mobile or telephonic – Facilitator: Sarah Blanka

5. Law Enforcement Integration – how police services work with mental health providers - Facilitator: Leon Boyko, RI International

12.15- 1.15pm Lunch

1.15-2.15pm Breakout Sessions Continued

2.15-3.15pm Summary of recommendations from the breakout sessions, all to action, developing the plan

  • Dr. Phil Moore and Facilitators

3.15-4.00pm Next Steps and Wrap Up

  • Dr. Caroline Dollery and David Covington
Hosted by:

International Initiative for Mental Health Leadership (IIMHL) Exchange
